

Facilitated Discussion: Committee Reflections and the Next Chapter

September 2022

Discussion Questions

Lessons Learned, Challenges, and Opportunities

What is one lesson that you learned during your time on the Committee?

What was your biggest challenge?

How will these insights inform your other roles and responsibilities?

Discussion Questions

Items for Further Exploration, Next Chapter

If the Committee had another 6 months, what areas would you explore further?

Are there loose ends to put on a list as next steps? Who should address these items and how?

What outstanding questions do you think still need to be answered?

If you were the U.S. Chief Statistician, which recommendation(s) would you address first? Why?
