

Welcome to the BEA *eFile* system for the BE-180 Benchmark Survey Of Financial Services Transactions Between U.S. Financial Services Providers And Foreign Persons. This page is where you can save and/or submit your data. **IMPORTANT:** If you are using the free Adobe Acrobat Reader software, you will not be able to save data that you enter into the form. You can, however, submit a partially completed form and return to it later by downloading the form again from the *eFile* website. When you download the form after a submission, all of your previously saved data will be filled in. You can then save a copy of the form, along with the data you entered previously, to your computer.

When you are ready to submit your document, return to this page (either by scrolling back to the top or by using the buttons on the bottom of each page) and click the Save/Submit Data button. You will be prompted to select either a save or a final submission. You can also do a final submission from the *eFile* website. We will not use your data until you do a final submission.

Thank you for using the BEA *eFile* system.

You may use this overflow sheet if there is insufficient space on Form BE-180, Schedule B, to list every individual foreign country with which you had transactions. (However, if you prefer, you may instead reproduce a copy of the appropriate schedule (s), and enter the data for the additional foreign countries on lines 23 through 27 of the schedule (s).) The overflow sheet is also available in Microsoft Excel format. If you wish to receive a copy of the Excel file, send an email message to [be-180@bea.gov](mailto:be-180@bea.gov) with your request and we will reply to you with the file attached to our message.

If you are having trouble submitting your data using the Save/Submit button or if you want to save a local copy of your data using Adobe Reader, use the form below to export or import your data to or from a text file. These procedures may take a few minutes to complete, depending on the size of the form.

To export data:

Click the “Export” button, then right-click in the data box and choose Select All, right click again and choose copy.

To save or submit the data to the BEA eFile system, log in to the eFile system and click on the “Import Data” button. Paste the data into the data box on the form, choose whether you want to submit or save the data and click “Import Data” button.

If you want to save the data locally on your computer, open up a text editor such as Windows Notepad and paste the data into the document and save the file.

To import data:

First click the “Clear Data” button below. Then open the text file containing your data. Use the “Select All” option to select the text and copy and paste it into the data box below. Then click the “Import” button. Your data should appear in the form.
