

# BEA's FAQS

<http://faq.bea.gov>

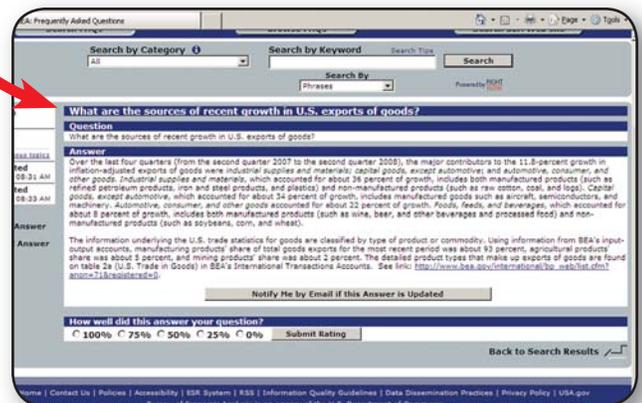

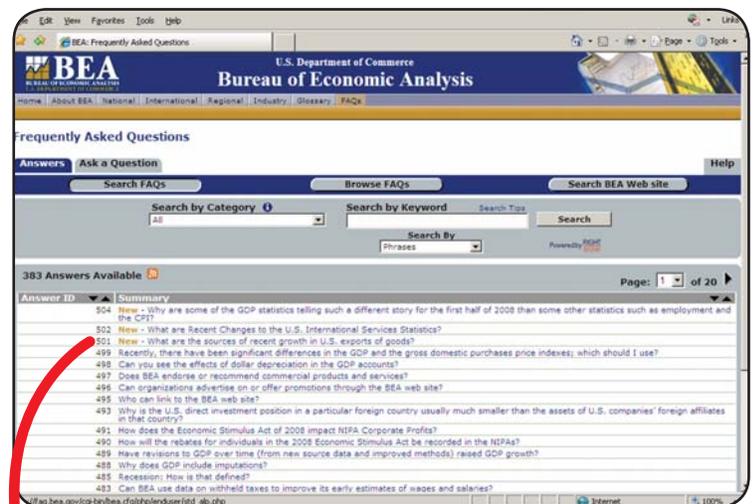

BEA's FAQ Web page provides you with the opportunity to search for FAQs by **CATEGORY** and **KEYWORD**. The default Web page places the most recent FAQs (by date) at the top of the list.

## Recent FAQs include:

- Sources of recent growth in U.S. exports of goods (#501)
- Accounting for impacts of the 2008 Economic Stimulus Act in the National Income and Product Accounts (NIPAs) (#490 & 491)
- The effects of write offs on NIPA profit measures (#457)
- The difference between GDP and gross domestic purchases prices (#499)
- Dollar depreciation and the accounts (#498)
- An explanation for why the GDP statistics tell such a different story for the first half of 2008 than some other statistics such as employment and the CPI (#504)
