Who must report: A BE-13E report must be filed annually by a U.S. business enterprise that previously filed a BE-13B or BE-13D for three years after the year of the establishment or expansion, or until final data are collected if the project is completed within 3 years.

Purpose: The BE-13, Survey of New Foreign Direct Investment in the United States, is conducted to collect data on the acquisition or establishment of U.S. business enterprises by foreign investors and the expansion of existing U.S. affiliates of foreign companies to establish new facilities where business is conducted. The data collected on the survey are used to measure the amount of new foreign direct investment in the United States, assess the impact on the U.S. economy, and based on this assessment, make informed policy decisions regarding foreign direct investment in the United States.

Authority: This survey is being conducted under the International Investment and Trade in Services Survey Act (P.L. 94-472, 90 Stat. 2059, 22 U.S.C. 3101-3108, as amended), hereinafter "the Act", and the filing of reports is MANDATORY pursuant to Section 5(b)(2) of the Act (22 U.S.C. 3104). The implementing regulations are contained in 15 CFR Part 801.

Penalties: Whoever fails to report may be subject to a civil penalty and to injunctive relief commanding such person to comply, or both. Whoever willfully fails to report shall be fined and, if an individual, may be imprisoned for not more than one year, or both. Any officer, director, employee, or agent of any corporation who knowingly participates in such violations, upon conviction, may be punished by a like fine, imprisonment, or both (22 U.S.C. 3105). The civil penalties are subject to inflationary adjustments. Those adjustments are found in 15 CFR 6.4.

Notwithstanding any other provision of the law, no person is required to respond to, nor shall any person be subject to a penalty for failure to comply with, a collection of information subject to the requirements of the Paperwork Reduction Act, unless that collection of information displays a currently valid OMB Control Number.

Respondent burden: Public reporting burden for this BE-13E form is estimated to average 45 minutes per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing burden, to: Director, Bureau of Economic Analysis (BE-1), U.S. Department of Commerce, 4600 Silver Hill Road, Washington, DC 20233; and to the Office of Management and Budget, Paperwork Reduction Project 0608-0035, Washington, DC 20503.

Without your prior written permission, the information filed in your report CANNOT be presented in a manner that allows it to be individually identified. Your report CANNOT be used for purposes of taxation, investigation, or regulation. Copies retained in your files are immune from legal process. Per the Cybersecurity Enhancement Act of 2015, your data are protected from cybersecurity risks through security monitoring of the BEA information systems.
