

Learn About Your State's Economy With GDP

Activities (2018 data)

Part A: Nominal GDP

Use the nominal GDP state ranking, below the map on **Handout No. 1**, to answer these questions:

1. What was your state's gross domestic product for 2018? _____

2. Where did your state's GDP rank among all states? _____

3. What does this list tell you about your state's economy?

4. What doesn't it tell you? _____
