1. The Coronavirus Food Assistance Program, initially established by the CARES Act, provides direct support of farmers and ranchers where prices and market supply chains have been impacted by the CoviD-19 pandemic
2. A two percent reduction in reimbursements paid to Medicare service providers that went into effect in 2013 was initially suspended by the CARES Act. The resulting increased reimbursement rates went into effect beginning on May 1,2020 .

The Federal Emergency Management Agency (FEMA) was authorized to make payments from the Disaster Relief fund to supplement wages lost as a result of the CoviD-19 pandemic. The Department of tealth and fuman services distributes money from the Provider Relief Fund to hospitals and health care providers on the front ines of the coronavirus response. This funding supports health care-related expenses or lost reverue atributable to coviD-19 and ensures uninsured Americans can get treatment for coviD-19.

NOTE: For national statistics, BEA publishes the total level at an annualized rate. BEA does this so that monthly estimates can be easily compared to quarterly estimates included in BEA's quarterly gross domestic product report, for example.
Note: For national statisitics, BEA Aublishes the total Ievel a an annualized rate. BEA does this so that monthil estimates can be easily compared to quartrity
